AUTUMN 2010

To all our clients and friends - Thank You for a great 30 Years!

I would like to thank the over 70 households who recently participated in our 30th Anniversary celebration. Between the sign campaign, and private donations, we were able to raise \$2,694.00 for a very special organization, Urban Promise Ministries in Camden. The money will go to furthering the education of children who don't have the advantages and opportunities that our children have.

In addition, I would like to recognize our vendors for donating the fantastic door prizes which were awarded to attendees of the anniversary BBQ. Each of them contributes uniquely to the overall success of R. Craig Lord Construction, and I appreciate their support. Our thanks go out to: A-1 Millwork, Apple Kitchens, Burlington Carpet One, David Ramsay Cabinet Makers, Dubell Lumber, Home Depot of Delran, Medford Cedar, Moorestown Hardware, North American Window, ProBuild Lumber, Renaissance Caterers, TD Bank of Moorestown, and Weinstein Kitchen & Bath Showroom.

At R. Craig Lord Construction we work hard for our clients every day. We also take our position as a contributing member of our community very seriously. When we can use the good will and relationships established over the years to help someone in that community the results are extraordinary.

It has been my pleasure to serve this community and I cherish the relationships that have developed over the last 30 years. Again, thank you for your support.

Sincerely,

30th Anniversary Recap

October 16th marked the culmination of R. Craig Lord Construction's 30th Anniversary celebration. Clients, employees, and family members came together to enjoy an afternoon of sunshine, barbeque, and live music, courtesy of Al Snyder and his band, Al's Pals. The anniversary sign campaign that many of our past clients participated in was central to the celebration. As a "Thank You" for posting signs around town, R. Craig Lord Construction Company donated \$30 per sign to Urban Promise Camden, a faith based ministry promoting youth education in the community. Together with private donations by clients and partnering suppliers, the campaign raised well over \$2,000, which was presented to Bruce Main, president of Urban Promise, during the picnic. As we move forward beyond this historic milestone, we remain committed to the core principles that have kept us in business for the past 30 years. We will continue building relationships and creating value for clients through conscientious management of your home improvement projects, while contributing to the community as a responsible corporate citizen.
